

“Pullin’ for Partnership”

Fire Truck Challenge 2023 Team Kit

Attention Team Captains!

Do you have what it takes to pull a 46,000-pound fire truck? Teams will compete for bragging rights and a chance to prove their strength on Saturday, Sept. 30, 2023, rain or shine.

This is the third annual "Pullin' for Partnership" Fire Truck Challenge, which will help Partnership for a Drug-Free Community keep our programs rolling.

Teams of 10 will compete to see who is fastest at pulling the fire truck a length of 100 feet — twice the length of last year's pull. Last year's fastest time was 14.65 seconds; the slowest was 16:68 seconds. This is a fun, fast-moving event you'll never forget!

All proceeds raised during the event will go directly to Partnership for a Drug-Free Community programs and services. This year, team pledges, sponsorships, and donations are more important than ever. All proceeds are tax deductible.

Among its programs, Partnership provides prevention and education services for youth in grades 2-12 with the Ozzie Opioid Prevention Programs (Ozzie OPPs). For grades 5-12, college students, and even parents, the Youth Tobacco & Vaping Prevention Program provides a prevention and education curriculum, based on Stanford University Medical School's Tobacco Prevention Toolkit. The agency also provides recovery resources to anyone with a substance use disorder, along with the family and friends who care about them. The Hub provides an impartial one-stop shop for treatment options and referrals. All Partnership programs and services are free.

Enclosed are registration forms for your team members, pledge sheets, event rules, waiver forms and team photo releases (to be filled out and signed by each team member).

Registration forms deadline is Friday, Sept. 22, 2023. Please send earlier if possible.

Forms can be mailed or dropped off at Partnership for a Drug-Free Community, 2201 Clinton Ave. W., Suite A, Huntsville, AL 35805 or emailed to info@thedrugfreepartnership.org.

Costumes are not mandatory but always add excitement to the event. We look forward to seeing your team in action!

Thank you,
2023 Fire Truck Challenge Committee
